The Court, acting under MCR 7.203(F)(2), orders that the motion for reconsideration is DENIED for lack of merit in the ground presented. Since defendants Robert Castellanos and Adrienne Castellanos were not in default, the October 5, 2005 order denying appellant's motion for a default declaratory judgment cannot be consider the final order for the case at hand as it neither disposed of the claims nor adjudicated the rights and liabilities of the parties as required by the court rules. MCR 7.202(6)(a)(i) and 7.203(A)(1).
